## Orion Expedition Cruises

Orion is opening Australia to a new way of travel – expedition cruising in true luxury and style. The vessel is modern and comfortable, intimate and stylish, catering to just over 100 guests.

Orion is considerably smaller than conventional cruise ships, allowing access to exclusive ports otherwise inaccessible. Orion not only goes to out of the way places, they go out of their way to give you an exclusive five star experience.

Orion's Kimberley Expeditions undertake an in-depth exploration of this remote coastline, one way from Broome to Darwin. Nothing can fully prepare you for the dramatic contrasts of Australia's north-west, rich in Aboriginal culture and galleries of ancient artwork. Towards the west, in the historic pearling town of Broome, the colours of nature are vibrant and intense; rich red earth, azure blue seas and brilliant white sand beaches. North of Broome lies the ragged Kimberley coast, a place you can only comprehend from the sea. Rugged gorges, inlets, waterfalls plunging 100 metres all combine for an awe-inspiring experience you simply can't have by travelling overland. Orion also offers a 10 night Kimberley Highlights Darwin roundtrip and an 11 night Kimberley East & West (International) visiting the remote islands of Roti and Kupang, Indonesia.
