Pemberton is a pretty timber town with giant Karri trees creating breathtaking forest scenery. Visit in spring to see the forest floor transformed by a carpet of colourful wildflowers. With a growing reputation for gourmet food and excellent cellar doors, this is a great place to sample fabulous food and wine.

South east of Pemberton, the coastline from Denmark to Albany offers superb beaches, coves and bays with dramatic cliffs adding to the beauty of the landscape. Denmark is set on Wilson Inlet with beautiful beaches for swimming, fishing, surfing and playing.

William Bay is popular for the white sandy beach and sheltered natural lagoon, Greens Pool. Visit magnificent Elephant Rocks; granite boulders in elephant-like shapes which make a vivid contrast against the blue sky and sparkling green water.

Further east is Albany with a dramatic granite coastline and unique wild beauty. The town's colonial buildings are now home to gorgeous art and craft galleries and fabulous restaurants. Witness the majestic sight of the awesome whales as they migrate north in late April and return south in August.

Follow the coastline off the beaten track to Esperance on the shores of Esperance Bay. This is the perfect place to get back to nature with national parks, pristine beaches, seasonal wildflowers and rugged coastal scenery.
